

Watchmen Drum & Bugle Corps is a highly competitive non-profit musical group that travels throughout California, Arizona, Utah & Colorado. The Group combines Brass, Percussion and Dance under the professional guidance of a dedicated staff. This Instruction develops and expands the musical, dancing and marching skills to the highest level possible, while placing a great musical ensemble on the field to entertain the crowd.

I attend school full-time and with all of these activities, including Watchmen rehearsals, I have managed to keep up with all of my schoolwork and chores at home.

Even though all of the schoolwork I have done this year has been rewarding, I will need to help raise funds to cover the cost of dues and tour, which is \$2100 per member this year. This is one of our primary fundraisers and help from people I know and the business community in which I live will assist us in raising my tour fees.

A \$10 to \$100 pledge will help sponsor me for the tour. Watchmen Drum & Bugle Corps is a California Non-Profit Organization and any donation you can make is tax-deductible. A pledge of \$50 or more will enable you to be listed in the Honored Patrons section of our web page.

Thank you for your time and support. Any questions may be sent to that address or you may phone the corps at (909) 490-1772. You may also check our web page at [www.watchmenartsassociation.org](http://www.watchmenartsassociation.org)
